

DO YOU HAVE A CHOICE?

Has someone...

- Pressured or forced you to have sex or perform sexual acts with them or other people when you don't want to?
- Made you earn money for them?
- Taken your money, ID, or phone?
- Threatened you or someone you love?
- Said they would hurt you or someone you love if you told anyone?
- Controlled where you go, who you see, or what you do?
- Made you feel like you can't leave?

You deserve to be treated with dignity and respect

It doesn't matter how old you are, where you came from, your immigration status, if you've used drugs, been arrested - or what happened in your past.
